Electronics / Cell Phone Use Policy

[Cell phone use consists of answering and/or making calls, text messaging, taking pictures, and/or listening to music.](#) We recognize the prevalence of cell phone use among society and respect it as a means of communication in a busy family. Students often have before- and after-school commitments and a cell phone enables family members to be aware of each other's plans. At all other times cell phones must be in the student's backpacks, recognizing the student's responsibility for damage, loss, or theft.

Thank you for understanding and respecting our need to regulate cell phone use in school.

Our school does not discriminate in educational programs and activities on the basis of age, color, creed, disability, gender identity, genetic information, national origin, race, religion, sex, sexual orientation, veteran status, or any other basis protected by federal or state law. Bullying Policy

We believe that ALL students must feel safe and any allegations of bullying will be reviewed and investigated in a prompt, confidential, and thorough manner. CODE OF CONDUCT

Show pride in yourself, your culture, and your ethnicity by doing your best, and striving for excellence at all times. Our society is multicultural, and mutual respect is important for living in peace and harmony. The Escuela Popular (EP) Code of Conduct (COC) sets out clear standards of behavior for all members of the EP community, including students, parents, teachers, and staff. The COC strives to foster a school culture in which respect, responsibility, civility, academic excellence, and appreciation of cultural heritage are held paramount. The COC seeks to teach and reinforce responsibility, rather than simply to punish problem behavior. **Please refer to Escuela Popular school wide behavior expectations matrix.**

COC Advisory Group

In the event that a particular student exhibits a problem behavior that has become chronic, or is otherwise very serious, and the issue must be elevated to the level of administration, a meeting of the COC Advisory Group will be held. The COC Advisory is a group composed of EP stakeholders who will examine a student's case and make recommendations to the principal regarding how best to handle a student's behavior. Such recommendations may include, but are not limited to: tutoring, community service, teaching appropriate behavior, or even re-evaluating enrollment status. The final decision as to how to handle a student's situation rests with the principal.

Appeal Process

If a Student wishes to appeal a decision recommended by the COC Advisory and made by the principal, they have the opportunity to appeal that decision to the Escuela Popular Board of Directors. If a family is interested in appealing a decision, they must notify an administrator of the decision to appeal and write a letter to the EP Board of Directors notifying the board of their desire to appeal.

Public Displays of Affection

Students shall refrain from displays of affection that are offensive, sexual in nature, or inappropriate for the school environment. Holding hands is permitted.

CODE OF CONDUCT

Sexual harassment may include, but is not limited to:

- Physical assaults of a sexual nature, such as:
 - Rape, sexual battery, molestation or attempts to commit these assaults and
 - Intentional physical conduct that is sexual in nature, such as touching, pinching, patting, grabbing, brushing against another's body, or poking another's body.
 - Unwanted sexual advances, propositions or other sexual comments, such as:
 - Sexually oriented gestures, notices, remarks, jokes, or comments about a person's sexuality or sexual experience.
 - Preferential treatment or promises of preferential treatment to a student for submitting to sexual conduct, including soliciting or attempting to solicit any student to engage in sexual activity for compensation or reward or deferential treatment for rejecting sexual conduct.
 - Subjecting or threats of subjecting a student to unwelcome sexual attention or conduct.
 - Sexual or discriminatory displays or publications anywhere on campus by students, such as:
 - Displaying pictures, cartoons, posters, calendars, graffiti, objections, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning or pornographic.
 - Reading publicly or otherwise publicizing in the school environment materials that are in any way sexually revealing, sexually suggestive, sexually demeaning or pornographic.
- The illustrations of harassment and sexual harassment above are not an all-inclusive list of prohibited acts under this policy.

The school will investigate complaints promptly and provide a written report of the investigation and decision as soon as practicable. The investigation will be handled in as confidential a manner as possible consistent with a full, fair, and proper investigation. While in most situations a personal relationship is a private matter, these relationships are not appropriate in a school setting, particularly where one of the students involved is under the age of 18 and the other is 18 year of age or older.

Sexual Harassment Policy

Sexual harassment of or by any student or member of the School staff will not be tolerated, may result in disciplinary action, including dismissal or expulsion, of the offending student or staff member, or other appropriate sanction. Unwelcomed sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when it interferes with an individual's performance at school and/or creates an intimidating, hostile or offensive environment. Any student who believes that he or she has been harassed or has witnessed sexual harassment is encouraged to immediately report such incident to his or her teacher and/or any administrator. Any allegations of sexual harassment will be reviewed and investigated in a prompt, confidential, and thorough manner. Sexual harassment regulated by this policy pertains to behavior of a sexual nature while students are under the jurisdiction of the School.

Sexual harassment consist of sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature, regardless of whether or not the conduct is motivated by sexual desire, when: (1) submission of the conduct is either made explicitly or implicitly (2) that conduct interferes with an individual's school performance or creates an intimidating, hostile or offensive learning environment.

It is also unlawful to retaliate in any way against a student who has articulated a good faith concern about sexual harassment against him or her or against another student.

Each student has the responsibility to maintain a campus free from any form of sexual harassment. Consequently, should any individual become aware of any conduct that may constitute sexual harassment or other prohibited behavior, immediate action should be taken to address such conduct. Staff and students are expected to act in a positive manner and to contribute to a productive school environment that is free from harassing or disruptive activity. Any student who believes they have been sexually harassed or has witnessed sexual harassment is encouraged to immediately report such harassment to the Principal or/and Vice Principal. The "Harassment Complaint Form" may be obtained from the Principal or Vice Principal.
