Cold season is upon us; to be exact, winter starts 12/21. Please don't forget: California state law requires drivers to turn on their headlights when they turn on their windshield wipers if it is raining. Also use these tips to keep yourself and family warm during this winter season outside.

- Wear an under-layer.
- Wear a waterproof outer layer.
- Wear a heat-retaining layer.
- Protect your extremities.
- Protect yourself from the elements.
- Bring warming materials.
- Wear clothing that is the right size.
- Move around to create heat.

### **ESCUELA POPULAR STUDENTS ARE PROFESSIONAL STUDENTS - REMINDERS:**

#### **EPHS Students Keep Our Campus Free of Fragrances!**

Please refrain from wearing strong scents and Fragrances ( including tobacco/marijuana odor ) to school. They contribute to poor indoor air quality that is unhealthy or unpleasant for many students and school staff. Let's maintain a safe and clean learning environment for all!

#### **EPHS Students Do Not Use/Consume Alcoholic Beverages, Marijuana, and Tobacco at School**

By state law, alcoholic beverages are not allowed on our school campus. Marijuana and tobacco products also cannot be used/smoked within 1000 feet of the school campus.

#### **EPHS Students Know What to Do During Evacuations**

Please remember: If evacuation occurs during passing period or dinner break:

- A) ALL students go straight to nearest evacuation area (quad or behind the library).
- B) ALL teachers go help with Childcare staff in 300 rooms.
