EPHS Students Attend School on Fridays!

End your school-week strong by coming to school on Fridays. Friday is the most important day of the week because if you are absent, you are playing "catch up" the following week. This is also your opportunity to find out from your teachers if there is any incomplete work that needs to be finished over the weekend.

Fragrance Free Campus

Please refrain from wearing strong scents and fragrances (including tobacco/marijuana odor) to school. They contribute to poor indoor air quality that is unhealthy or unpleasant for many students and school staff. Let's maintain a safe learning environment for all!
