More Reminders!

Convivio/Party Reminder: As the holiday approaches, we are all excited to celebrate and share with our classmates. But please remember “Convivios” organized by students or teachers need to be approved by the principal. Teachers and students need to complete the “CTC Convivio Approval Form” two days in advance. The form is available in the main office. All “convivios” and mini parties/celebrations need to be approved.

Construction Updates! This week, the construction crew will be pouring concrete onto both new parking lots located on White Rd. and near the cafeteria. What you can expect to see is many trucks entering and exiting the construction site. They have also informed us that when they will be pouring the concrete there will be an asphalt-like smell. Classrooms near the parking lots should keep windows closed. All this will be happening so that in January upon our return both parking lots will be open for use! We will have a parking plan to share with everyone before we leave for the break. Any questions can be directed to Maestra Barocio or RC.

TB Test Reminder!: If you have not submitted your TB test results, please do so immediately. Because you are enrolled and attending school, is very important for you to complete this requirement immediately. If you have any questions, please visit one of our registers office. Please submit your TB test results to the main office as soon as possible.

Some Few Words from Maestro Roger Reguerin, Student Resource Advocate

"Estinada Familia de Escuela Popular/ My Dearest Escuela Popular Family:

It was a great pleasure to see those of you that made the effort to attend the wonderful event/play honoring our beloved founder Maestra Lidia Reguerin "Sembradora de la Luz". Your presence really made it a wonderful success, not only by your attendance and participation but your appreciation for her hard work she endured in making Escuela Popular what it is today. Which is and continues to be the transformation of lives, for those who really need it, and most of all "making sure of giving voice" to the Hispanic community of East San Jose.

Special thanks to the theatrical group comprised of students, teachers and staff. Your hard work has touched me and my family deeply by all of your efforts in putting all this together, your grain of salt from each of you is deeply recognized, but most of all your enthusiasm whether you were acting or behind the scenes really showed your hard work and appreciation for Maestra Lidia's hard work and our beloved educational institution. Special thanks also to the home grown teachers that came and sang!

I am sorry for those of you that could not make it to this wonderful event, as I am sure you all have your reasons.

In solidarity, community and friendship,

Roger Reguerin
