School Accountability Report Card

Reported Using Data from the 2019–2020 School Year

California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

About Our School

Welcome to the 2020-2021 school year!

This is our year to continue the empowering and profound work at Escuela Popular's Bilingual Family Learning Center. It is through the collective effort and commitment of time and energy that we are able to carry forward with our Founder Maestra Lidia's vision and legacy.

Our school is at the forefront of intergenerational learning through our Bilingual Family Learning Center, designed to meet the needs of immigrant families.

Our overall vision and goals set forth by our LCAP, are to focus on providing all staff with pathways for continued professional and personal growth. Allowing our organization to be equipped and prepared to meet the evolving needs of the families we serve. We have organized our campus and personnel to provide ample opportunities for mentorship, collaboration, and innovation.

It is our utmost pleasure to work with our school community to meet our goal of providing students with a high-quality education, an environment that fosters respect, curiosity, and potential.

Sincerely,

Patricia Reguerin
Executive Director

School Description and Mission Statement (School Year 2020–2021)

Escuela Popular Accelerated Family Learning Center (hereinafter referred to as “EP-AFLC”, “EPAFLC”, “EP”, or “Escuela Popular”) is a TK-12 family learning center. EPAFLC began as a community-based grassroots school to address the growing need for English instruction in East San Jose; as a consequence, Escuela Popular has been providing educational services since 1986. Within the first year of operation, the demand for learning and schooling grew rapidly and Escuela Popular continued to expand in the number of students, classes, and services. In 1999, Escuela Popular was asked to operate as a satellite campus of a new charter school organization. School leaders seized the opportunity to expand services to the community at large by providing a dual-language transitional kindergarten through the eighth-grade academy, along with a high school academy for youth, and in keeping with the vision of Escuela Popular as a family learning center, an academy for parents and adults. In 2002, Escuela Popular was able to function independently and acquired its own non-profit status, assuming the name Escuela Popular del Pueblo. It was then when the school opened its doors as Escuela Popular Accelerated Family Learning Center. This entire enterprise was started by Lidia Reguerin, a Stanford alumna with over fifty years of teaching experience, whose vision was driven by the educational principles of Paulo Freire. She firmly believed that teaching is an act of love and that we should teach our students to pursue their dreams.

Escuela Popular Accelerated Family Learning Center currently provides educational services to over 364 students in two academies:

1. The Dual Language Academy: The Dual Language Academy, a dual immersion elementary school, serves students in grades TK-8.
2. The Under 19 High School Academy: Serving grades 9-12, this academy serves recent immigrants, the children of immigrants whose primary language is Spanish, and students who have been unsuccessful in other public schools. Demographically, Escuela Popular serves a predominantly low-income, Latino community.

EPAFLC realizes that no individual can be successful academically unless these issues are addressed. So while the school presents a rigorous education, it does so in a framework shaped by an understanding of students' day-to-day life circumstances. Experience teaches us, that in spite of those circumstances, students can and do succeed beyond their wildest expectations.

The knowledge, skills, and competencies required to be an “educated person” in the 21st century continue to increase as our state, country and global community evolve. The rapid shifts of industries that drive our economy require a drastically different employment force than in previous generations.

The contributions made by all levels of today's workforce are measured based upon the value-added to an idea, product, or service. In order to be competitive in today's job market, knowledge and capacity in more than one discipline are often necessary, whereas competence in one area was sufficient in the past. Working effectively as part of an interdisciplinary team to successfully carry out the mission of an organization is increasingly important, specifically amongst a diverse community. Therefore, EPAFLC believes an "educated person" in the 21st century is a self-motivated, competent, lifelong learner who exhibits the following traits: RISE by being...

- Responsible citizens
- Intellectually curious and independent learners
- Sound healthy individuals
- Effective bi-literate and bilingual communicators

School Facility Conditions and Planned Improvements

Daily maintenance by custodial staff and teaching staff keep food outside classrooms. LED all areas on campus upgraded January 2018. Daily maintenance keeps restrooms clean and in working condition. All areas are free of any hazardous materials. A playground was updated 2/2/2018. Gates and fences were installed in January 2018 on the school perimeter.

EPAFLC is co-located at 149 N. White Road in San Jose, CA, the former Pala Middle School, which is within the East Side Union High School District boundaries. Escuela Popular is in its eighth year of a forty-year lease with Alum Rock Union Elementary School District. The current EPAFLC academy is safe, functional, clean, and well maintained. In July 2011, Escuela Popular re-entered into a one-year Re-Use Agreement with the City of San Jose to operate the Alum Rock Youth Center. Through this agreement, our ASES After-School provider Boys and Girls Club of Silicon Valley run programming to our K-8 grade students. In addition, students have access to a gymnasium that they use for P.E. and extracurricular activities. The campus is close to public transportation. To maintain a safe facility, EPAFLC employs two-campus supervisors who are available during the morning and evening.

In the spring of 2014, Escuela Popular began to work with a project manager and architectural firm to begin the design of the improvement of the 149 N. White Rd. campus. The School designed site plans that would consolidate the EPAFLC and EPCTC academies onto one campus. The project constructed 25 new high- efficiency classrooms in three buildings. The project upgraded the existing track and grass field for school and community use, as well as additional parking lots.

The redesigned new campus houses Escuela Popular's three academies. On October 19, 2016, the Alum Rock Union Elementary School District approved Escuela Popular's proposed site plans. The school's new campus opened with newly built classrooms in the Fall of 2018.

Any school facilities leased or constructed by EPAFLC shall comply with federal, state, and local building and zoning regulations as applicable to charter schools, including compliance with the Americans with Disabilities Act and include a certificate of occupancy.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with

alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

| Mathematics (grades 3-8 and 11) | 4.0% | N/A | 39.0% | N/A | 39% | N/A |

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education (CTE) Programs (School Year 2019–2020)

College and Career Skills:

Students will demonstrate skills to assist them in today's workforce and society such as, perform basic health procedures, develop a resume, perform in job interviews, use a variety of soft and hardware, apply and attend college. Performance-Based Learning and Skills Teachers provide students opportunities to engage in authentic and meaningful tasks that are essential to applying the skills needed in the workforce and career readiness. Technology skills (job skills) learned spiral through all academic core classes. Performance tasks assigned incorporate the skills the students have learned in technology classes and core academic classes, providing a relevant and authentic application. These culminating performance tasks provide relevance to the students as well as help them hone their job skills through the use of technology.

Performance tasks could include:

- Interviews, debates, role-plays, persuasive writing,
- Culminating oral personal education reflection task (PER),
- Developing a business plan in economics,
- Writing and designing a publication that advocates for a particular policy initiative, Engage in debates related to current and relevant topics.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2019–2020)

| Grade Level | Percentage of Students Meeting Four of Six Fitness Standards | Percentage of Students Meeting Five of Six Fitness Standards | Percentage of Students Meeting Six of Six Fitness Standards |
|-------------|--|--|---|
|-------------|--|--|---|

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020–2021)

Escuela Popular will meet or exceed the same accountability standards as district schools for parental involvement, including efforts to seek parent input for making decisions for schools, and how the school will promote parent participation. As a family learning center, EP believes that parents are partners in their children's education. Parental involvement at EP extends well beyond volunteering and parent conferences. Many parents are enrolled in the high school academy offered by EP-CTC, while their children are enrolled in the lower grades at EP. In addition to the formal structures described above, EP works to create a welcoming environment for families, many of whom do not have positive associations with their children's schools. One important way of welcoming families and students is by valuing and celebrating their primary language. All correspondence is sent home in both English and Spanish. All school meetings are conducted in both English and Spanish.

Additionally, the vast majority of staff, and all staff who answer the phone or greet parents, speak Spanish. Escuela Popular uses the following strategies to involve parents/families in student learning:

- Parent Conference
- Family Nights
- Home Visits
- Family Engagement Deans
- ELAC
- Community building activities throughout the year

Due to the COVID-19 pandemic and the online learning, in addition to the above mentioned parent involvement opportunities we have put in place other methods to communicate with parents to ask for their feedback as well as to offer support:

- *Quartely Surveys*
- *24 hrs hotline*
- *Technology Workshops*
- *Walk-in Technology Orientations*
- *Chromebooks & hotspots distribution for parents*
- *Workshops on Resilience and Mental Health*

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

| Rate | School 2017-2018 | School 2018-2019 | District 2017-2018 | District 2018-2019 | State 2017-2018 | State 2018-2019 |
|-------------|---------------------|---------------------|-----------------------|-----------------------|--------------------|--------------------|
| Suspensions | 0.00% | 0.70% | 3.60% | 3.40% | 3.50% | 3.50% |
| Expulsions | 0.00% | 0.00% | 0.10% | 0.00% | 0.10% | 0.10% |

Suspensions and Expulsions for School Year 2019–2020 Only
 (data collected between July through February, partial school year due to the COVID-19 pandemic)

| Rate | School 2019–2020 | District 2019–2020 | State 2019–2020 |
|-------------|---------------------|-----------------------|--------------------|
| Suspensions | 0.80% | 0.80% | 2.50% |
| Expulsions | 0.00% | 0.00% | 0.10% |

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to prior years.

Types of Services Funded (Fiscal Year 2019–2020)

Escuela Popular believes partnerships with agencies outside the school are important to expand the support services and enrichment opportunities of our students and families. The overall objectives with the partnerships are related to our LCAP goal, to provide students and families with the necessary academic and social and emotional resources to support academic achievement and retention. By making support services accessible to our students and families, we expect to see lower truancy rates, lower chronic absenteeism, reduction of suspensions, and decrease in discipline referrals, overall resulting in higher academic achievement. Annually we will review local data and Dashboard data to determine the effectiveness of our partnerships on our students.

The following partnerships provide our students with after school care, homework assistance, sports, and STEAM learning.

- Boys & Girls Club provides our students with an afterschool program that includes academic and enrichment activities.
- Santa Clara University provides student volunteers to provide tutoring services.
- The University of California Agriculture and Natural Resources 4-H Youth Development Program works with our middle and high school students on leadership skills and health nutrition education.
- UC Berkeley Center for Cities + Schools Y Plan, young people become agents of change in their communities. Students take on projects focused on improving public transportation, access to green space, public art and civic space, healthy eating and active living, and more.

The following partnerships provide on-site medical services to our students and families.

- Santa Clara Valley Hospitals Medical Van provides free medical services to students on campus. twice a month.
- Stanford University's Spine Treatment and Education Program provided screening and education to our students.
- Vision to Learn provides our students with free eye exams and glasses as needed.

Escuela Popular continues to build partnerships with legal organizations such as SIREN, Santa Clara County Office of Immigrant Affairs, and ConXion to Community to support students' immigration, housing, health, and legal issues.
