Attendance Policy

The California Education code requires that students attend school full time. Moreover, it is extremely important for all students to attend school daily in order to gain the maximum benefit from his/her education and demonstrate dedication to being on track to higher education.

Regular attendance is vital to academic success. Escuela Popular students are expected to attend school every day and arrive on time to every class. The Governing Board recognizes its responsibility under the law to ensure that students attend regularly. Parents/guardians of children aged 6-18 are obligated to send their children to school unless otherwise provided by the law. The Board shall abide by all state attendance laws and may use appropriate legal means to correct the problems of excessive absence or truancy.

In the event that a student cannot attend school, certain absences may be excused. Absences for the following reasons may be excused: student's illness, medical appointments, jury duty, religious observance, etc. Absences may be excused up to one week after the absence occurs. In the case of consecutive absences, absences may be excused up to one week after the last consecutive absence. For students under the age of 18, parents or legal guardians must contact the school to excuse absences. The Board Attendance Policy is posted on the website.

- Instruction begins at 8:30 A.M. The classroom teacher promptly takes attendance regardless if the student is starting their day in the school cafeteria or in their classroom.
- If a student is ill or will be absent, the office must be notified in writing or by calling the main office at (408) 275-7191 or (408) 835-3181.
- A student is considered tardy when they arrive after 8:30 A.M. The student must report to the main office, sign-in, and ask for a tardy slip, when they arrive after 8:30 A.M. Parents must provide an explanation to why their child was tardy.

- If a student is tardy or has an unexcused absence, they will not qualify to receive a Perfect Attendance Certificate at the end of the month in which they were absent or tardy.

Excused & Unexcused Absences or Tardies

Below is the list of excused and unexcused absences. If you are unsure if your absence will be excused, please contact the school attendance office immediately.

Excused Absences and Tardies

- Illness; Medical or dental appointments
- Attending a funeral service
- Approved participation in a school event, activity or meeting with administrator
- Personal or family emergency when approved by a school administrator
- Appointments with law enforcement, attorneys or probation officers.

Unexcused Absences and Tardies

- Missing or being tardy to class or school for a reason not listed above will be considered an unexcused absence or tardy.

Calling in Absences

Students must communicate with the school absences by calling (408) 275-7191. If absences are not communicated, they will not be accurately excused. When reporting an absence, the following information is required:

Full Name; Identification Number; Date of Absence; Reason for absence

Cutting Class or School

Cutting class or any part of the school day is considered an unexcused absence where neither parents/guardians nor the school has given permission for the student to miss school. Cutting includes students who leave campus without permission at any time of the school day.

Truancy

The California Legislature defined a truant in very precise language. In summary, EC Section 48260 it states that a student missing more than 30 minutes of instruction without an excuse

three times during the school year must be classified as a truant and reported to the proper school authority. This classification and referral helps emphasize the importance of school attendance and is intended to help minimize interference with instruction.

EC Section 48260.5: Upon a pupil's initial classification as a truant, the school district shall notify the pupil's parent or guardian, by using the most cost-effective method possible, which may include electronic mail or a telephone call:

- (a) That the pupil is a truant.
- (b) That the parent or guardian is obligated to compel the attendance of the pupil at school.
- (c) That parents or guardians who fail to meet this obligation may be guilty of an infraction and subject to prosecution pursuant to Article 6.
- (d) That alternative educational programs are available in the district.
- (e) That the parent or guardian has the right to meet with appropriate school personnel to discuss solutions to the pupil's truancy.
- (f) That the pupil may be subject to prosecution under Section 48264.
- (g) For a pupil under 18 years of age but 13 years of age or older, that the pupil may be subject to suspension, restriction, or delay of the pupil's driving privilege pursuant to Section 13202.7 of the Vehicle Code.

It is recommended that the parent or guardian accompany the pupil to school and attend classes with the pupil for one day.

The law provides schools with discretion regarding student penalties for truancy as long as they are consistent with state law.

Escuela Popular takes Truancy very seriously and works closely with families before taking any other disciplinary action.

If a child becomes truant, Escuela Popular will act in accordance with the following process:

3 and/or 90 minutes of unexcused absences

- 1st truancy letter will be sent home
- EP support staff will contact parents by phone conference to identify family needs
- Home visits, individual case management, and referrals may be offered

If issue continues: 6 and/or 180 minutes of unexcused absences

- 2nd truancy letter will be sent home
- Mandatory meeting with Principal/Instructional Leader or Student Services Associate Director
- Parents are required to participate in a Truancy meeting led by the school administration, a social worker and a Deputy District Attorney from Santa Clara County

If issue continues: 9 and/or 270 minutes of unexcused absences

- 3rd truancy letter will be sent home
- Family will be referred to a meeting with district attorney from Truancy Court
- Family might be referred to East Side Union Unified School District SARB (School Attendance Review Board)
- When a family is referred to the district, parents or legal guardians might be at risk of being sent to the Truancy Court

Facility Safety

Escuela Popular will comply with education code section 47610 by using facilities that are compliant with the California Building Standards Code.

The school shall partner with the District and the City of San Jose to test sprinkler systems, fire extinguishers, and fire alarms at its facilities to ensure that they are maintained in an operable condition.

Closed Campus

Escuela Popular is a closed campus and students may not leave campus without permission. This includes the lunch break. For the safety and security of the entire school community, we are maintaining a closed campus expectation. In addition, our goal is to minimize traffic, human and automobile, during school hours.

Safety Plan

Escuela Popular will adhere to a safety plan, specifically to meet the needs of the school site. The safety plan will include a comprehensive set of health, safety and risk management policies that will address, at a minimum, policies and procedures for responses to disasters and emergencies, including fires and earthquakes, blood borne pathogens, and a policy establishing

Escuela Popular as a drug, alcohol and tobacco free workplace. Instructional and administrative staff shall also receive training in emergency response including “first responder training” or its equivalent.

Immunizations and Health Screenings

Escuela Popular is responsible for documenting immunizations to the same extent that this is required for non-charter public schools pursuant to Health and Safety Code Sections 120325-120375, and Title 17, California Code. Additionally, Escuela Popular complies with applicable student immunization and health screening requirements.

Vision, Hearing, Scoliosis

Students will be screened for vision, hearing and scoliosis as applicable to EC Section 49450, et seq., as applicable to the grade levels served by Escuela Popular.

Tuberculosis Risk Assessment

Employees, and volunteers who have frequent or prolonged contact with students, will be assessed and examined (if necessary) for tuberculosis prior to commencing employment and working with students as required by Education Code Section 49406. In addition, all students are required to submit proof of TB screening upon enrollment. If not available upon enrollment, students have 20 school days to submit results.

First Aid, Illness, & Injuries

First aid kits are located in every classroom. If a student is ill or injured beyond first aid or simple comfort measures, the parent will be called to take the student home or to the doctor. In an emergency, appropriate action will be taken, including calling 911 for emergency assistance, and the parent will be informed immediately. If a parent cannot be reached, other designated adults listed on the student’s emergency form will be notified. It is essential that the parent keeps the school informed of any change in address and/or telephone numbers so that a responsible party may be reached in an emergency.

Blood Borne Pathogens

Escuela Popular shall meet state and federal standards for dealing with blood-borne pathogens and other potentially infectious materials in the school. Escuela Popular has established an infectious control plan designed to protect employees from possible infection due to contact with blood-borne viruses, including human immunodeficiency virus (HIV) and hepatitis B virus (HBV). Whenever exposed to blood or other body fluids through injury or accident, students, and staff should follow the latest medical protocol for disinfecting procedure.

Administration of Medication

Students needing to take prescribed medication during the school day are required register all medication at the front office and store it with the officer. The following is required before school personnel can provide assistance with medication.

All medication to be administered at school:

- must be labeled by a licensed pharmacist;
- must be in the original manufacturer's container with the student's name clearly written on the container;
- must be accompanied by a written statement from the doctor detailing the method, amount, and time schedule the medication is to be taken (this may be faxed and must be updated annually and when any changes are made):
- must be accompanied by a written statement by the parent/guardian indicating the desire that the school staff administer medication to the student as ordered by the health-care provider;
- and must be handed to the school staff by the parent/guardian (not the student) except inhalers which may remain with the student.
- if a battery is needed for hearing devices, please bring an extra battery and leave it in the main office
- parents need to make sure that medication left in the main office is not expired and with doctor's note

Escuela Popular recommends that the parents ask the pharmacist to divide medication into separate containers for home and school. The staff will NOT administer nor provide non-prescription medication such as aspirin, acetaminophen, allergy capsules, diet pills, Pepto-Bismol, etc. Without medical authorization. Please do not ask EP staff to administer medication to students.

Disciplinary Physical Contact with Students

EP recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning-conducive environment Possible. It is the policy of EP that no teacher or other staff member will use corporal punishment against a student. This prohibition includes spanking, slapping, pinching, hitting, tying, taping, or the use of any other physical force as retaliation or correction for inappropriate behavior.

Boundaries Defined

For the purposes of this policy the term “boundaries” is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing beyond the boundaries of a student-teacher relationship is deemed an abuse of power and a betrayal of public trust.

Acceptable and Unacceptable Behaviors

Some activities may seem innocent from a staff member's perspective but may be perceived as flirtation or sexual insinuation from a student or parental point of view. The purpose of the following lists of unacceptable and acceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to or may be perceived as inappropriate, or sexual misconduct, or "grooming." Grooming is defined as an act or series of acts by a sexual predator to gain physical and/or emotional control by gaining trust (of staff and/or family and a minor) and desensitizing the minor to various forms of touching and other intimate interaction.

Staff members must understand their own responsibilities for ensuring that they do not cross the boundaries as written in this policy. If a student specifically requests that they not be touched, then that request must be honored. Violations could subject the teacher or staff member to discipline up to and including termination. Disagreeing with the wording or intent of these established boundaries will be considered irrelevant for any required disciplinary purposes. Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities.

Unacceptable Behaviors

These lists (and any subsequent lists) are not meant to be all-inclusive, but rather, illustrative of the types of behavior we intend to address by this policy.

This policy does not prevent: 1) touching a student for the purpose of guiding them along a

physical path; 2) helping them up after a fall; or 3) engaging in a rescue or the application of Cardio Pulmonary Resuscitation (CPR) or other emergency first-aid. Nor does it prohibit the use of reasonable force and touching in self-defense or in the defense of another. Restraining a child who is trying to engage in violent or inappropriate behavior is also allowed. Only such force as necessary to defend one's self, another person, or the child or to protect property is legally permitted. Excessive force is prohibited.

Boundaries Reporting

When any staff member, parent, or student becomes aware of a staff member (or volunteer, guest, vendor) having crossed the boundaries specified in this policy, or has a strong suspicion of misconduct, they must report the suspicion to the Executive Director promptly. Reasonable suspicion means something perceived in spite of inconclusive or slight evidence. It is based on facts that would lead a reasonable person to believe the conduct occurred. Prompt reporting is essential to protect students, the suspected staff member, any witnesses, and the school as a whole. Employees must also report to the administration any awareness of, or concern about, student behavior that crosses boundaries, or any situation in which a student appears to be at risk for sexual abuse.

Investigating

The Executive Director will promptly investigate and document the investigation of any allegation of sexual misconduct or inappropriate behavior by a staff member, using such support staff or outside assistance, as they deems necessary and appropriate under the circumstances. Throughout this fact-finding process, the investigating administrator, and all others privy to the investigation, shall protect the privacy interests of any affected student(s) and/or staff member(s) including any potential witnesses, as much as possible. The investigating administrator shall promptly notify the Governing Board in closed session of the existence and status of any investigations. Upon completion of any such investigations, the Executive Director shall report to the Governing Board any conclusions reached. The investigating administrator shall consult with legal counsel, as appropriate, prior to, during, and after conducting any investigation.

Consequences

Staff members who have violated this policy will be subject to appropriate disciplinary action, and where appropriate, will be reported to authorities for potential legal action.

Parents Right to Know

Federal law requires that parents be notified when their child has been taught for four or more consecutive weeks by a teacher who has not met State certification or licensure requirements at the grade level and subject area in which the teacher has been assigned.

Visitations:

Visitors are welcome. All family/visitors must immediately sign-in at the main office at the beginning of their visit, receive a visitor's badge, and sign-out at the end of their visit. Please do not go directly to a teacher's classroom or to other areas of the school building. These procedures are designed to protect children from unauthorized individuals.

All visitors are expected to follow our school expectations and treat all students and staff with respect. In registering as a visitor, the sign-in form will include spaces for the following information:

- Visitor's name
- Date visitor is on campus
- Reason for visit
- Time signing in, Time signing out

At his/her discretion, the administrator or designee may also request:

Proof of identity;

Address,

Age (if less than 21);

Occupation and company affiliation.

And any other information consistent with law

Parents and guardians visiting during the school day for any purpose other than picking up at or dropping off a child at the beginning or end of the school day as part of the normal school day schedule should also be requested to sign into the visitor log or a special log for parents. This

applies to parents and guardians who are picking up a student early or dropping off a student late, as well as parents and guardians who are on campus to volunteer in their child's classroom. Visits during school hours should first be arranged with the teacher and administrator or designee, at least three (3) days in advance. If a conference is desired, an appointment should be set with the teacher during non-instructional time, at least three days in advance. Parents seeking to visit a classroom during school hours must first obtain the written approval of the classroom teacher and the administrator or designee.

The administrator or designee may refuse to register any visitor if they reasonably conclude that the visitor's/outsider's presence would disrupt the school, students or employees, would result in damage to property, or would result in the distribution or use of a controlled substance. (Penal Code 627.4).

The administrator or designee may request that a visitor/outsider who has failed to register, or whose registration privileges have been denied or revoked, to promptly leave school grounds. If necessary, the administrator or designee may call the local police to enforce the departure of the visitor/outsider. When a visitor/outsider is directed to leave, the administrator or designee shall inform the visitor/outsider that if they reenter the school within seven (7) days, they will be guilty of a misdemeanor and subject to a fine and/or imprisonment. (Penal Code 627.7).

Picking up Students Early

Parents, guardians, or authorized person picking up a student early must go to the main office, sign the log entry and wait in the office for the student.

Calling the School and Teacher's e-mail

All teachers have an email account. A list of school staff email addresses are available on the Escuela Popular website. A parent may leave a voice-mail message at any time with the front office, which will be delivered to the teacher at the first opportunity outside of class time. Teachers will also provide phone numbers where they can be reached. Please feel free to reach out directly to teachers or the Instructional Leader regarding a question, concern, compliment, or issue with your student.

Short-Term Independent study policy (STIS)

There are a variety of reasons to request a STIS. Most students who apply for STIS are out of the country or state during their STIS term to participate in cultural, religious, family events or for students with behavioral issues. Occasionally, removing a student from one class setting to a home or other educational placement is more appropriate. Another STIS application is for students who have periodic health episodes that may result in frequent absences, i.e. asthma, serious allergies, etc. including a student that may be recovering from an injury that does not require hospitalizations, but precludes daily attendance at school. Parents or guardians of a child can request a STIS if appropriate.

Any student who participates in STIS must complete the appropriate school assignments, and comply with school expectations for families that request a STIS process. STIS can be requested only once a year and last a maximum of 15 days.

Homework

Based on teachers' discretion.

Tutoring

Students in need of additional support may be required to attend additional after school tutoring.

School Pictures

Individual pictures are taken during the school year for use on school issued student identification cards.

Schedule Changes

Counselors support and guide students and/or families monitor their progress on a yearly basis. Changes in schedule can occur under the following circumstances:

Improper placement and program errors will be corrected within the first 14 days of enrolling within the quarter

A valid need to change their schedule by dropping one course and adding another

When availability in a particular course opens up, with counselor's approval. Administrator approval is required after the 14-day deadline.

To ensure that all requests for schedule changes are processed, students must fill out the form provided by an Academic Counselor.

Transferability of Courses

The parent/guardian must submit a request to withdraw from Escuela Popular. All courses listed on the official transcript may be transferred. It is the next school's discretion to apply the earned courses and credit as they see appropriate for their program. Courses approved by the University of California are A-G are transferable. Our complete list of A-G approved courses are found on the University of California A-G Course List for Escuela Popular.

Academic and Behavior Interventions to Support Student Success

The progress of every student is of the utmost importance. Escuela Popular provides a variety of support to ensure all students are making adequate progress. The Student Success Team (SST) is a problem solving and coordinating structure that assists students, families, and teachers to develop positive solutions for maximizing student potential. It provides an opportunity within the RTI model for school staff, family members, community agencies, and other important people to present their concerns about an individual student, and through discussion and study, to plan a positive course of action, assign responsibility and monitor results for a student/family.

Public Displays of Affection

Students shall refrain from displays of affection that are offensive, sexual in nature, or inappropriate for the school environment. Holding hands is permitted.

Academic Interventions

The most important element in providing instruction to meet the needs of all learners is to focus first on high quality first instruction in the traditional classroom. Students are assessed for these basic skills and receive intervention when needed. When it becomes necessary to supplement the instructional practice for struggling students we provide academic intervention in various ways.

Following are some, but not all, of the intervention that may be provided:

- Use of a strategic student study team (SST) to identify student strengths and weaknesses
- Targeted small groups instruction with students of similar abilities
- Targeted early instructional lessons
- Before or after school additional support
- Work with Teacher Associates, Early Literacy Coach & Early Literacy Aid
- Attend summer school

Picking up a Student During School Hours

For safety purposes, if a student needs to leave early for an appointment, a telephone call and/or note from the parent/guardian must be provided before the student is allowed to leave campus. If administration approves, the student will be given a leave note to be signed by his/her teacher before the student leaves.

Behavioral Interventions

Intervention strategies reflect the Board's preference for the use of positive interventions (PBIS) and alternative disciplinary measures over exclusionary discipline measures as a means for correcting student behavior. Student Services Associate Director work in conjunction with the leadership team and staff to develop, implement, and monitor tiered interventions for students within the school's adopted RTI model. The following list provides examples of the interventions that may be provided but not limited to:

- Check-in and check-outs
- Social skills, conflict resolution, socio-emotional development groups via Teaching Associates or
- Student & Family Engagement Specialist
- Visual schedules
- Class meetings
- Verbal prompts and re-corrections
- Proximity or preferential seating
- Sensory tools

- Behavior support plan
- Self-management strategies (Student Self Reflection Form)
- Quiet work area (within classroom or outside classroom)
- Buddy Teacher – someone student trust and can support his/her development
- Acknowledgement/recognition programs

Student Study Team (SST):

A teacher may initiate a Student Study Team meeting to develop other intervention strategies. If a parent has any academic concerns, they are encouraged to first speak with their child's classroom teacher. If their concern continues, they may ask for an SST meeting to be held to help support their child's learning. The classroom teacher must submit an SST Referral.

Escuela Popular believes that everyone can learn from their mistakes and learn to solve their own conflicts by correcting their inappropriate decisions. Additionally, EP believes that every bad decision has a consequence that functions as a way to teach wanted behavior that applies to each specific case. Consequences may include (they are not in specific order):

- Verbal warning
- Writing a letter of apology
- Participating in school community service/repairing any damage they have caused
- Being removed from a given situation (time out, reflection time, etc.)
- Making up work time (additional time with the teacher)
- Completing a behavior reflection to be signed by parents and returned
- Call home for parent support
- Parent/Teacher/ Student & Family Engagement Specialist conference

We value instructional time, therefore we require you to speak with teachers when they are not with students. Every attempt will be made to respond to messages within two school days.

Promoting a Safe and Secure Learning Environment for All

All students have a right to attend school free of bullying, intimidation, And discrimination. The California Department of Education (CDE) has declared California public schools as welcoming, safe places for learning and teaching of all students regardless of immigration status, reaffirming federal regulations and state law that prohibit educational agencies from disclosing personally identifiable student information to anyone, including law enforcement, without consent of parent or guardian, or a court order or lawful subpoena, or in the case of a health emergency. Escuela Popular is committed to the success of all students irrespective of their immigration status or citizenship and believes that our school should be a welcoming place for all students and their families. "Immigrant children and youth" refers to individuals who: Are ages 3 through 21, were not born in any state, or have not been attending one or more schools in any one or more states for more than 3 full academic years. A full academic year is 10 months of school attendance, kindergarten through 12th grade. Escuela Popular does not require birth certificates as part of the enrollment process. Students who meet the Title III definition of "immigrant" are reported regardless of their primary language or language proficiency level. Escuela Popular reports immigrant students through its student information system and to CALPADS.

Bullying Policy

ALL students must feel safe and any allegations of bullying will be reviewed and investigated in a prompt, confidential, and thorough manner. Bullying is aggressive behavior that is intentional and that involves an imbalance of power or strength. Bullying can take many forms, such as hitting or punching (physical bullying); teasing or name calling (verbal bullying); intimidation using gestures or social exclusion (nonverbal bullying or emotional bullying); and sending

insulting messages through email, text or other cyber technology (cyber bullying). It can occur at school, in transit between home and school, and off campus. Any student who engages in bullying may be subject to disciplinary action, up to and including expulsion.

Transgender and Gender Non-Confirming Youth Policy

California Code of Regulations Section 4900(a) similarly provides that “No person shall be excluded from participation in or denied the benefits of any local agency's program or activity on the basis of sex, sexual orientation, gender, ethnic group identification, race, ancestry, national origin, religion, color, or mental or physical disability in any program or activity conducted by an educational institution’ or any other ‘local agency’ that receives or benefits from any state financial assistance.”

This policy does not anticipate every situation that might occur with respect to transgender or gender nonconforming students. The needs of each transgender or gender nonconforming student are assessed on a case-by-case basis. In all cases, the goal is to ensure the safety, comfort, and healthy development of the transgender or gender nonconforming students.

Complete guidelines and procedures are located on our school website, www.escuelapopular.org.

Sexual Harassment Policy

Sexual harassment of or by any student or member of the School staff will not be tolerated, may result in disciplinary action, including dismissal or expulsion, of the offending student or staff member, or other appropriate sanction. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when it interferes with an individual’s performance at school and/or creates an intimidating, hostile or offensive environment. Any student who believes that he or she has been harassed or has witnessed sexual harassment is encouraged to immediately report such incident to his or her teacher. Any allegations of sexual harassment will be reviewed and investigated in a prompt, confidential, and thorough manner. Sexual harassment regulated by this policy pertains to behavior of a sexual nature while students are under the jurisdiction of the school.

Lice Policy

When a member of the school staff suspects a child is infested with head lice, the following procedures should be followed, these steps are aligned with the recommendations of the Santa Clara Public Health Department:

- The school office and teacher should be notified.
- The parents must be contacted (verbal communication is preferred). If it is not possible, then a letter from the registrar will be sent with the student).
- The student shall remain in school, and be sent home at the end of the day. If the child rides the bus, he/she is allowed to ride the school bus home.

- A letter along with a copy of an informational brochure will be sent home of the student that is infested.
- A letter will be sent home notifying classmates' parents that a case of head lice is suspected and asking them to check all of their children for head lice. No confidential student information will be shared— this is only a notification. An informational brochure on head lice infestation and treatment will also accompany the letter.
- In case there is more than one student in the same classroom with head lice, the school will send a "Parent Lice Verification Letter" for all the students in that class. The parent will be responsible to ensure that the student comes to school cleaned of head lice or indicates that their child was checked and did not have lice.

Chronic Cases

If a student is found to consistently be infested with head lice, the student should be deemed a "chronic" head lice case. A chronic case is a child found infested during three separate months during a school year or for six consecutive weeks.

- The registrar will communicate with the classroom teacher to see what support can be given to the family.
- The Instructional Leader should be notified in writing, and all previous forms should be attached including the signed Parent Lice Verification Letter, and copies of the multiple contacts with the family (phone call notes with date, time, and person that was contacted).
- The Instructional Leader along with the Student & Family Engagement Specialist will meet with the parents to determine additional services needed by the family.

It is important to remember that all cases of suspected lice infestation are handled with sensitivity, so as not to embarrass or shame the student/family.

Electronics / Cell Phone Use Policy

Cell phone use consists of answering and/or making calls, text messaging, taking pictures, and/or listening to music. Escuela Popular recognizes the prevalence of cell phone use among students and respects it as a means of communication in a busy family. Students often have before and after school commitments and a cell phone enables family members to be aware of family plans. We therefore permit cell phone use before and after school and during lunch. At all other times cell phones must be in the student's backpacks, recognizing the student's responsibility for damage, loss, or theft.

If you have an emergency, please direct calls to the front office at 408-275-7191. We will locate students immediately.

Anything that disrupts the learning environment, violates school rules, or is otherwise distracting or inappropriate in a school setting may be confiscated and returned to a parent.

Students may not use any electronic device such as portable music players, cameras, and cellular phones on campus without a staff member's permission.

Thank you for understanding and respecting the need to regulate cell phone use in school.

Valuable Personal Property

Personal property (including, but not limited to iPods, CD, MP3 players, pagers, cellular phones, and/or electronic games, etc.), are to be turned off, kept out of sight, and not used during the school day. Violation of this rule will result in disciplinary action and confiscation of the item(s). Confiscated items will be returned to the owner at the end of the day, provided there are no concerns with the contents of the items. On a second violation, the item(s) will be confiscated and returned only to parents/guardians.

NOTE: Escuela Popular Charter High School is not responsible for any loss or damage to confiscated property.
